

Permaculture.

Prospectus

The **Permaculture.** application is a unique content management platform specialising in collating information about Permaculture and related topics such as homesteading and sustainable lifestyle strategies. The app. has consistently ranked on top for both Apple and Google Play.

Why partner with Permaculture.?

- You are interested in supporting apps like Permaculture. to inform people about sustainable solutions across the world.
- You want to access a community to promote aligned business services, education services or ethical products.
- You are conducting projects aligned to Permaculture principles and want to engage with an informed audience.

How can I support Permaculture.?

Become a:

- *Patron* – You can sponsor our effort. If you like, we can acknowledge your support and business on the Permaculture. web page and within the application.
- *Partner* - we are happy to work with partners to enhance members' experiences or on Permaculture related projects.
- *Promotee* - we can promote your services or products within the application for an agreed period and fee. Contact us with your proposal. As long as it aligns with the Permaculture ethics, it's good to go.
- *Promoter* - Of course, you are very welcome to promote our app. on your platform.

Thank you for considering these options.
